# FUNCTIONAL PROTEINS

**INDUSTRIES**

PROTEIN EXPERT SINCE 1955

## PRODUCT RANGE

- EASY-TO-USE: 1:1 REPLACEMENT
- COST SAVINGS, PRICE STABILITY

### NOLLIBEL®

#### ICE CREAM INDUSTRY

**NOLLIBEL®** is a functional dairy ingredient leader in the ice cream industry. This product brings unique functionality (texture improvement, melting resistance), especially when used at 100% replacement of milk solids non fat.

#### APPLICATIONS

ICE CREAM

SOFT SERVE

GELATO

#### FUNCTIONALITY AND BENEFITS

- Heat stability: resistance to pasteurization
- Overrun : structuration of the air bubbles network
- Taste: regular or mild milky notes all over the year
- Melting: heat shock resistance and reduced melting speed
- Texture: unctuousity, mouthfeel and reduced cold feeling
- Lactose: reduced risk of crystallisation

### BIANBEL®

#### HIGH PROTEIN BLENDS

**BIANBEL®** is a range of high protein blends. It was developed to improve foaming properties and the foaming stability.

#### APPLICATIONS

SHERBET

AERATED PRODUCTS

#### FUNCTIONALITY AND BENEFITS

- Heat stability: resistance to pasteurization
- Overrun: structuration of the air bubbles network
- Texture: improved feeling

### BELKA®

#### DAIRY DRINKS & YOGURTS

**BELKA®** series is specially dedicated for yogurt, dairy drinks, bakery and chocolate application.

#### APPLICATIONS

DAIRY DRINKS

BAKERY

CHOCOLATE

#### FUNCTIONALITY AND BENEFITS

- Heat stability: resistance to pasteurization
- Taste: regular or mild milky notes all over the year
- Minerals: standardization

## OUR MISSION

Specialist of functional ingredients, Bel Industries brings tailor made solutions with **positive innovation** to meet the requirements of food manufacturers around the world.

### INNOVATION, QUALITY, SERVICE & COST SAVINGS

100 dedicated employees supported by Bel Group (12,600 employees)

3 drying plants, 1 mixing plant and 1 R&D center

A team of R&D managers leading innovations and recipe optimizations

A dedicated sales, regulatory, and quality team to bring the best of our proteins to your factories

BEL SA with share capital of 7 921 294,50 €
